

NABCO Summer BBQ Event

Rules and Regulations:

For every \$1 spent with NABCO during the course of this promotion, 1 BBQ reward point will be earned to be used towards BBQ rewards packages.

Individual prizes can be claimed at any time within the dates of the promotion. Point totals will be tabulated and tracked on a case by case basis.

There will be no retroactive point credits given for orders prior to the promotional start date. Redemption requests that are not made within the set parameters of the program will be handled on a case by case basis and may be refused.

Multiple salesmen within the same branch are free to combine points in order to reach desired prize level.

All point totals will be calculated from June 1st, through August 27th. Retroactive point credits will be addressed on an individual basis.

Please allow 2-4 weeks for all reward gifts to ship. Rewards can be shipped to personal residences if desired by customer and if alternate shipping address is supplied on the rewards request form. If not otherwise stated, rewards will ship to branch of ordering salesman.

If multiple salesmen from the same wholesale branch place orders for steaks and request that they ship directly to the branch, Omaha Steaks may combine multiple orders in the same cooler and ship accordingly in an attempt to cut down on packaging waste and freight cost.
